

Calling All Crafters!

**CAN YOU KNIT, SEW,
CROCHET OR HANDY WITH
PAPER CRAFTS?**

Please help our local women-led Lanarkshire Rape Crisis charity by making hanging hearts from anything you have in purple, green or yellow materials.

We want to show how much survivors of sexual violence are cared for and valued.

We will pass these to our service users as a symbol of care.

We can supply free heart knitting and felt patterns and templates. If you can help please email us on info@lanrcc.org.uk to find out more.

Thank you! web: lanrcc.org.uk
